Active Brands AS trading as Sweet Protection

Regulation (EU) 2016/425

Module B, EU type-examination

Issue 1

PPE Product

Sweet Protection (logo) Ascender helmet, consisting of an ABS and PC outer shell, with an EPS liner, internal comfort pads, goggle holder, size adjustment system, and a polyester webbing & buckle retention system, which is available in three nominal head sizes: S/M (53-56cm), M/L (56-59cm), & L/XL (59-61cm).

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to meet the applicable Essential Health and Safety Requirements in Annex II of Regulation (EU) 2016/425 Personal Protective Equipment

The following have been applied:

EN 1077:2007 (Helmet for alpine skiers and snowboarders)
for performance Class B;

EN 12492:2012 (Mountaineering equipment — Helmets for mountaineers);

In addition the product also meets:

ASTM F2040-18 (Helmets Used for Recreational Snow Sports).

Certification is based on technical file reference:

Active CE028, Jul 30, 2019

SGS Reference Number UK/CRS 240007.

1 The validity of this certificate may have to be reviewed in the light of new or amended harmonised standards
